

The Volkswagen Drag Racing Club (VWDRRC) is one of the worlds longest running single marque racing clubs and celebrated its 25th anniversary in 2012. Within the club there are two different classes, VW Sportsman (entry level racing with a mix of race cars and road legal VAG based cars) and VW Pro (Top level High performance VW's and all out VW based dragsters).

This is your chance to promote your company to tens of thousands of potential customers at the race track and worldwide with the aid of the internet, not to mention supporting the UK's biggest and best Volkswagen Drag Racing Club.

Sponsorship Package :

For £300 a year, you will get in return:

Your company logo on a large banner to be positioned in the VWDRRC pits at all seven race meetings during the season.

Your company logo on the VWDRRC website for 12 months, plus promotion via our facebook and twitter accounts (ideal if you have any special offers or events during the year that you would like promoting to our followers and fans).

Your logo on any printed material that may be produced and circulated at VWDRRC and other events throughout the year.

Your company sticker (maximum size of 10"x4" to be supplied by yourself or to pay for in addition if printed via VWDRRC) on each vehicle entered in each event.

Your company name and a brief description of your company to be given to commentators at each event to be read out each time the club is on track racing.

Remember we are talking about 30+ rolling adverts for your company, that are regularly photographed, filmed and featured in magazines.
